UGANDA NATIONAL BUREAU OF STANDARDS

CHEMISTRY LABORATORY TEST REPORT

sanas Testing Laboratory T0200

Test Report No: FA/2023/02952 Sample No: L/0900/2023C Field No: B#: 12862160123

Name of Client: UGACHICK POULTRY BREEDERS LIMITED Address: Magigye Gayaza off Namulonge Road, Wakiso

Manufacturer / Exporter: UGACHICK POULTRY BREEDERS LIMITED Sample Quantity : 1 piece

Sample Description: Dressed Poultry (Whole Bird – UgaChick Dressed Chicken brand) Lot Size: NA

State of Sample(s): Sample was received packed in a sealed polythene bag

Sampling Report No: N/A Date of Testing : 2023-03-24 Lab Receipt Date: 2023-03-13

Test Method(s): US EAS 953: 2020 & TD-CH-TM-018

Test Results

#	Parameters	Results	Specification	Status
1	Lead (mg/kg)	<0.05	0.1 (Maximum)	Pass
2	* Arsenic (As) (mg/kg)	<0.05	0.1 (Maximum)	Pass
3	Cadmium (Cd) (mg/kg)	<0.002	0.03 (Maximum)	Pass

Attachment(s) to the test report : NONE

Remarks:

1. The above sample was analysed as per the instructions on UNBS Request for Analysis Form serial Number RFA/2023/2189.
2. The Analysis was carried out at UNBS Chemistry Laboratory located at the address below using the test methods indicated above and the status of results as per the Uganda Standard, US EAS 953: 2020; Dressed Poultry - Specification.
3. The above sample meets the requirement for the parameters analysed as specified in the above standard.
4. This test report number (FA/2023/02952) is valid for sample number (L/0900/2023C) only and the results apply to the sample as received.

Note :

(i) N/A means 'Not Available'

(ii) <0.002mg/kg means "Below the limit of quantification" for the parameter.

(iii) <0.05mg/kg means "Below the detection limit" for the parameter.

Analysed By: Mayanja Daniel and Tumuheire Amos

Technical Signatory: Iberet Joseph ..... Date: 2023-03-28

For Executive Director UNBS: ..... Date: 2023-03-28
